

Contractor Payment Schedule

July 2026 to June 2027

How payment works

Vantage Meridian contractors are paid monthly on a fixed pay day. Payment is processed on the last business day of the month following the month in which the work was performed.

Two things must be with Vantage Meridian by the invoice submission deadline for you to be paid on the scheduled date:

- Your **Client-approved timesheets** for the month. Timesheets are completed weekly in the system nominated for your assignment and submitted for client approval by 5.00pm Friday each week.
- A **valid tax invoice** covering the month, emailed to skylavelle@vantagemeridian.com.au. The invoice must show your name or entity name, ABN, the invoice period, days worked, daily rate, GST (if registered) and the invoice total.

Any days not client-approved at the time payroll is processed are carried into the following month's payment run. Invoices received after the submission deadline are also processed in the following run.
