

New starter *details form*

Complete this form once your placement is confirmed. It establishes the payment and contact record for your engagement, so an error here shows up as a late or failed payment.

Complete sections 1, 2 and 3, then either section 4 if you contract through your own company or section 5 if you join as an employee of Vantage Meridian. Complete section 6 only if you contract through your own company. Everyone signs section 7. Return the form to skylavelle@vantagemeridian.com.au within three business days.

3. Engagement pathway

Tick one. This must match the pathway recorded on your Required Information Form and the contract you have signed. If it has changed since submission, say so in writing before returning this form, because it changes which contract applies.

- ☐ I am employed directly by Vantage Meridian on PAYG terms. Complete section 5.

BANK DETAILS

Vantage Meridian pays the account recorded here and nowhere else. A change of account is accepted only by a signed replacement of this section, confirmed by a phone call to the number in section 1. Emailed change-of-account requests are not actioned, whatever they appear to say, because redirection fraud against contractor payments is common and it works.

5. Employee details

Complete this section only if Vantage Meridian employs you directly. The tax file number declaration and the superannuation standard choice form are Australian Taxation Office forms and are sent to you separately; do not write a tax file number on this form.

Tax file number declaration	Completed and returned separately – tick when sent
Superannuation choice	Own fund, or Vantage Meridian's default fund
Fund name	
Fund USI or SPIN	
Member number	
Account name

6. Insurance

Complete this section only if you contract through your own company. Vantage Meridian collects certificates of currency at onboarding and again at each renewal, and cover must be current on the day you start rather than applied for. Employees are covered by Vantage Meridian's own policies and skip this section.

COVER	INSURER	POLICY NO.	SUM INSURED	EXPIRY
Professional indemnity				
Public liability				
Workers' compensation				

☐ Certificates of currency are attached for each cover listed above.

☐ Cover is not yet in place. I will provide certificates before my first day on site and I understand my start date depends on it.

☐ Workers' compensation does not apply to my structure. I have confirmed this with my accountant or insurer.

7. Declaration

By signing below you confirm that the details recorded above are true, accurate and complete, and that you will tell Vantage Meridian in writing within five business days of any change to your entity, insurance, bank account or contact details. You acknowledge that Vantage Meridian relies on this information to pay you and to meet its obligations to the client, and that incorrect details may delay payment to the following month's run.
